

Prioritize the health & wellbeing of your employees with Canada's leading virtual care solution

Benefits of Maple for Saskatchewan Blue Cross plan members

- ✓ Connect with Canadian-licensed general practitioners via phone, tablet, or computer, from anywhere – available in English and in French
- ✓ Access care on demand – general practitioners are available within minutes 24/7/365
- ✓ Get prescriptions delivered directly to your doorstep, within a few business days

Seamless access to general practitioners

1. Create a Maple account in less than a minute
2. Click “Get care” and describe symptoms
3. Connect with a GP by text, video or phone within minutes
4. Get medical advice, diagnosis, and treatment

Saskatchewan Blue Cross members
are using Maple with great outcomes
and high satisfaction ratings

See what Saskatchewan Blue Cross members are saying about virtual care!

“*This is our first use of the service. Our nearest walk-in clinic is 30 minutes away. With a 2 month old baby at home, being able to save the commute was incredibly helpful!*”

“Always a pleasure, friendly and knowledgeable doctor who diagnoses the problem properly and quickly.”

“Easy to use, quick service. Easy to get prescriptions sent to pharmacy.”

“This was so incredible smooth!” ”
